

A Family For Every Child

Volunteer of The Month

Linzy Munger

Administrative Assistant

November 2011

Linzy came to us not too long ago and has been busily involved in learning many various tasks from answering the phones to overseeing the Winter Wonderland 2012 registrations. She began by assisting with front desk tasks and is now currently working with Christy and providing much needed support, learning about various roles and taking on projects with a smile. Linzy was looking to help with clerical work and gain experience in providing support for a non-profit reaching out to the community. We think Linzy is a great person and happy to have her as a part of the work we are doing.

She enjoys organizing, working with people and being a part of a team. Her cheerful and sparkly personality are a great asset to the office. She has been volunteering with us giving 20 hours a week and never without something to do, learn or accomplish! She is completing her degree at the University of Oregon and looking forward to continuing to offer her talents to A Family For Every Child.

Thank You

Linzy
