

# A Family For Every Child

## Volunteer of The Month

**Mary Leroy**  
Coordinator of Children Listings

**September 2011**

**Mary**, started over 4 years ago as a volunteer photographer, she has provided valuable services as she learned the different needs of AFFEC. Currently she is coordinating AFFEC child listings and maintaining the photos for that program. She is not only an amazing photographer who is willing to take photos at every occasion, she also volunteers to watch the little ones during our bi-weekly support group so parents can get the support they need.

**Mary** is a "Can" do person. No matter what we need, no matter what the kids need, Mary is there. Mary truly loves the kids we work with as much as we do, and she makes them feel so special every time she is with them. There is nothing Mary will not learn to do, and or help with when we need her.

*Thank You for Your Service*
