

# A Family For Every Child

## Volunteer of The Month

**Bridget Grand**

Family Finding Intern

**January 2013**

Bridget Grand is our new volunteer offering administrative support for both our Family Finding and Mentor Programs! Bridget dedicates roughly twenty hours a week to doing Family Finding follow-up, updating our database, and working on mentor recruitment programs. Bridget has been with our organization for a short time, but has already proved her dedication to helping foster kids in our community! She always brightens the office with a smile, and her hard work and kindness affect everyone she meets.

**Bridget is a valued Volunteer and a true friend to AFFEC!**

*Thank You Bridget, for all your hard work!*
