

Dear Photographer,

Recruitment photos and the Heart Gallery are sponsored by A Family for Every Child (AFFEC). These professional photos are designed to find permanent homes for waiting Foster children. Professional photographers volunteer their time and take compelling, beautiful pictures of children presently in Foster Care waiting and hoping for a forever family. AFFEC / Heart Gallery works closely with the Department of Human Services to assist in finding permanent homes for children who need and deserve them. Photos are used for many forms of recruitment. One being the web postings that are used to attract families on various web site, another is The Heart Gallery show. This photo display reaches people by moving from venue to venue. Photos have been displayed at prominent shopping malls, grocery stores, airports, banks and other local businesses. Images can also be used in media recruitment opportunities, given to children themselves and shared with their Forever Family once adopted.

Many programs have been started by the A Family for Every Child - Heart Gallery. These include a Mentor Program which provides support for Foster Care youth ages 13-21 and a Family Building program that connects future adoptive parents with parents that have been through the process so that they can provide support and answer questions.

A Family for Every Child is a 501(c) non-profit organization. Your entire donation is tax deductible.

AFFEC / Heart Gallery promises to:

1. Recognize in our newsletter and on our website
2. Give photographer an update when the child(ren) they photographed is adopted
3. Photographer will be given all information and support necessary to make this an enjoyable experience for everyone involved
4. Photographer will get a formal invitation to and be recognized at our opening event in November.
5. Photographer will receive an electronic version of the A Family for Every Child - Heart Gallery logo that will link to A Family for Every Child - Heart Gallery's website. Photographers will be able to display this on their website so that clients and potential clients can see that you have worked with our organization.

We could not be here if it wasn't for all of the support from photographers. Thank you so much for donating your time and energy to such a great cause.

Sincerely,

**Heather Smith**
