### November is National Adoption Month!

BY THE PRESIDENT OF THE UNITED STATES  
OF AMERICA A PROCLAMATION

"Every young person deserves the chance to learn and grow under the care of a loving family. Across our Nation, adoptive families give that chance to over a million children and teenagers. During National Adoption Month, we celebrate these families and stand alongside every child still looking for the warmth and stability of a permanent home."

"Today, nearly 400,000 American children are in foster care, and each year, thousands age out of care without the security that comes from a permanent family or a place

to call home. On November 23, National Adoption Day will offer a sense of hope to children waiting for adoptive parents. As we observe this day, courts across our country will open their doors to finalize adoptions that move young people out of foster care."

"This month, we celebrate adopted children, teenagers, and their diverse families. We work to give more young people permanent families and promising futures. And we encourage our friends and neighbors to open their hearts and their homes to children in need."

- President  
BARACK OBAMA

## What is ICPC?

AFFEC Adoption Agency can offer families the opportunity to find a match from anywhere in the country. Our agency can easily facilitate the placement of an out of state child, and help families maneuver the Interstate Compact on the Placement of Children (ICPC).

### What is ICPC?

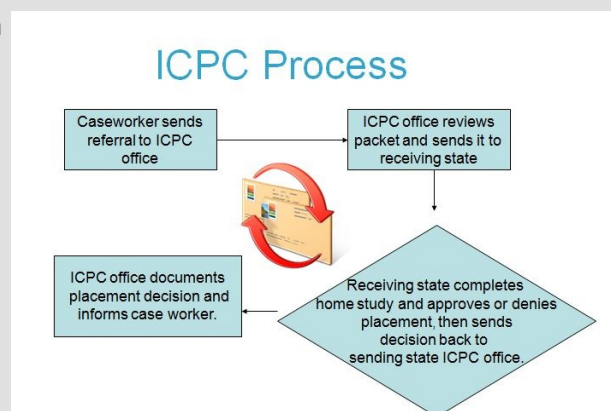

The Interstate Compact on the Placement of Children is the best means we have to ensure protection and services to children who are placed across state lines for foster care or adoption. The Compact is a uniform law that has been enacted by all 50 states, the District of

Columbia, and the U.S. Virgin Islands. It establishes orderly procedures for the interstate placement of children and fixes responsibility for those involved in placing the child

### What does the compact do?

The Compact law contains 10 articles. They define the types of placements and placers subject to the law; the procedures to be followed in making an interstate placement; and the specific protections, services, and requirements brought by enactment of the law.
