The Heart Gallery Needs

Volunteers!

The Heart Gallery is a portrait exhibit displayed to raise awareness of the needs of

foster children. Foster children waiting and hoping for their own adoptive family to love and protect them.

Professional photographers volunteer to take compelling portraits and these beautifully framed and matted portraits get displayed along with the children's biographies in various venues that will touch your heart. Pictures in the Heart Gallery help you to appreciate these children!

Here are some of the venues we need volunteers help with!

Associated Business Systems next to Costco

Denny's in Glenwood

Friendly Street Market

Putters and Strike City

Precision Classics and Collision in west eugene

US Bank Chambers

Siuslaw Bank in Oakridge

Have you ever considered growing your family through adoption?

Are you interested in beginning the adoption process? or perhaps you simply have many

questions about adoption that you are looking for answers to? Where ever you are in the process, let us share with you a bit about our

adoption agency and the adoption process in general.

Children are waiting right now to find their forever families. A Family for Every Child Adoption Agency understands how many barriers families often face when trying to grow their family. It is our goal to reduce those barriers significantly making the adoption process positive and exciting process all around. Right now AFFEC has a limited number of scholarships available for families interested in adopting sibling groups. Begin your adoption process now and let us help you grow your family!

We have adoption workers throughout the state ready to meet with your family for an introduction and orientation. Our workers are available to answer any questions you might have about our agency or the adoption process. To schedule a time to meet please email: Linzy@afamilyforeverychild.org
