**A Family For Every Child Adoption Agency serves families all over the state of Oregon. We are an inclusive agency that specializes in finding forever families for children in the foster care system. Our child centered approach creates a unique adoption experience for families**

**interested in adopting children from foster care. With our numerous programs, we help connect foster children to their forever families by assisting our agency families through each step of the adoption journey. We know that every child**

deserves to be loved, and no child will outgrow the need for a "forever family." [Learn more about the basics of adoption here](#)
