Save the Date for November 13th!

Our annual Home for the Holidays Event is November 13th at Valley River Inn and we hope that you can join us for a beautiful night benefiting foster children!

We are just starting to form our committees and we would love your help on our biggest event of the year benefiting foster children nationwide! We are still in need of help with decorations, our wine wall, and many more aspects of the event as we grow

closer. If you would like to be involved please contact us at event@afamilyforeverychild.org. We are seeking event committee volunteers, sponsors, and many donations to make this event a huge success.

Events Centered Around Making Foster Children Feel Special for a Day!

We hosted our first ever "Hero For A Day" this year and 130 children took part! We cannot thank our community partners enough for this event!

The University of Oregon and the O-Heroes group graciously let us use their facilities. We also had many athletes in attendance to serve as local heroes for the children. Also attending were firefighters, policemen, face painters, the Duck, and the Portland Super heroes coalition.

Our 6th annual Princess for a Day was a huge success transforming local foster children into Princesses. Upon arrival every Princess gets their hair and make-up done and gets to pick out their very own Princess dress!

These two events could not be put on without the your support! Every dress, wand, tiara, cape, mask, or sports equipment has been donated to make these events successful. We accept donations for either all year long and they can be mailed or dropped off to the office.

Online Child Matching Event

For families nation wide to find the perfect child to join your family!

Hosted By:

Here are some of the children being featured in our next matching event!

Matching Events utilize simple technology to help recruit for waiting foster children. Our Child Matching Events feature waiting children and our Family Matching Events feature waiting families through an online webinar. The children shown above are being featured on our June 18th event, and any home study approved family can attend to learn more about the featured children. The caseworkers for the children attend the webinar and can answer any of your questions!
