Portrait Help!

The Heart Gallery needs

What is the Heart Gallery?

The Heart Gallery is a portrait exhibit displayed to raise awareness of the needs of foster children. Foster children waiting and hoping for their own adoptive family to love and protect them. Professional photographers volunteer to take compelling portraits and these beautifully framed and matted portraits get displayed along with the children's biographies in various venues that will touch your heart. Pictures in the Heart Gallery help you to appreciate these children! Learn more [here](#)~

Our summer event was a hit! Thank you to all who attended and supported us. We hope to see you again next year!

volunteers! We can always use volunteers to deliver Heart Gallery portraits to our venues as well as change them out once a month. We have various lane county area locations where our Heart Gallery portraits are located (possibly one convenient to you!)

We need your help! But take a deep breath because this is super easy.

You know the rewards cards that every store on the planet is requesting you sign up for...?

Well this is totally different.

You know every time you purchase a new appliance and you have to send the warranty card in and verification of your purchase...?

Again this is nothing like that process.

We need you to sign up on the blog to receive an email notification regarding each new post. [Click on this link](#) and scroll to the bottom of the page, submit your name and email. It's easy! No card to carry around in your wallet with your other 10,000 rewards cards. No need to mail anything, and no pages to complete.

today to get started!

One step and you're done. If only your taxes could be this easy.

Are You Interested in Hosting a Heart Gallery?

Hosting the Heart Gallery at your organization is...

EASY

All we need is some wall or counter space and our volunteers will keep photos and information updated on a monthly basis.

REWARDING

Heart Gallery photos are cycled as children are placed into their forever families, allowing your business and its clientele to see the direct impact that hosting has on the lives of children in your community.

If you are interested in hosting a Heart Gallery venue in your place of business, community center, church, or other space (large or small), fill out our [information form](#) or contact us at 541-343-2856 or info@afamilyforeverychild.org.
