

■ Calling All Washington Families!

A Family For Every Child Adoption Agency is open for business in Washington and ready to help you grow your family.

Now is the time to begin your adoption journey!

There are currently over 100,000 children in foster care who are searching for their forever family. There are currently over 2,000 children in foster care in Washington waiting for their forever family. We know that every child deserves to be loved, and all kids never outgrow the need for the support that a family brings.

Could that family be you?

If your family has been considering adoption, now is the time! It is our goal to to reduce the barriers to adoption by making the process positive and low-cost.

Watch this short video to learn more about who we are and how we are helping children and families come together!

How We Can Help!

We can set your family up with an informative orientation, complete a home study for your family, and provide support for your family throughout the entire adoption process. We are committed to educating, supporting, and encouraging our families. We also believe that finances should not be a barrier to families wanting to adopt, which is why we provide our services to families at a very reasonable rate. Our [home study fee](#) is below state averages for private agencies. Let us help you! Check out some of the [success stories](#) from adoptive families we have helped over the years, and then [contact us](#) to get started!

Caregiver Core Training (CCT)

Caregiver Core Training is the required 27-hour training curriculum that provides information to foster and adoptive families. Some of the topics covered include: how children enter foster care; child development; attachment, loss, and grief; behavior management; adoption; and how foster care and adoption impacts your family.
