

"As a kid, having a mentor was vital to me...allowing me to make some of the most important decisions growing up, it's only right that I mentor a young person with the same wisdom that was given to me."- Kendrick Lamar

A Family For Every Child Mentor Program

"A Mentor is someone who allows you to see the hope inside yourself"

A Note From The Director:

Happy New Year to all! We are so thrilled to see our program soar into the New Year! Our demand for mentors in the Portland, OR area is growing day after day. This year, we are wishing to focus our efforts more within this area and obtain a volunteer coordinator to assist us with youth interviews, mentor interviews and the formation of a mentor match. This would be a great position for those that are in college and need hands on experience and client interaction. If you or someone you know would make a great fit and you are interested in learning more, please contact me at mentor@afamilyforeverychild.org for more information. With only 3 mentoring organization left in Lane County we are doing all we can to serve any and all youth that are needing our support. Make your New Years resolution one that counts and consider mentoring a youth whose life could change with your influence.

Warmest Regards,

Mavis Sanchez

Male Mentor Needed

With over 50 youth currently waiting for a mentor, the majority of our

waiting youth are male and are in need of a positive male role model. Sometimes males are reluctant to mentor for different reasons. Consider mentoring as a couple and take part in changing the life of a child one step at a time. If you are interested please contact us to learn more.

Over 70% of the children waiting for a match are boys while 30% of mentoring inquires come from men.

Mentor Assisted Life Skills

We had a great time during our last Mentor Assisted Life Skills Class. We enjoyed learning how make our very own pizza's and cookies from scratch. Thanks to our dedicated and caring mentor, Cheryel Whitsell for facilitating this class. All the youth and mentors had a great time getting to know another and cooking along side each other. Many more of these classes will come soon. This is a great opportunity for mentor and youth to learn vital life skills they may carry throughout their lives.

THANK YOU FOR YOUR SUPPORT!

We would like to extend our gratitude to all the organizations that donated Christmas gifts to the mentor program youth of Lane County.

We made this Christmas a memorable experience and we are so thankful for your support. Many thanks to Russell Construction, Oregon Medical Group, Emerald Community Fellowship and Pipeworks Studio!
