Welcome to February, the month of love!

A Family For Every Child is celebrating our
10 year anniversary!

WOW it has been an exciting journey!

10 years ago we began our journey with our Heart Galley, providing a traveling "art exhibit" filled with pictures of foster children awaiting their forever families.

We also started with our Life Books and Welcome Books that are given to foster children or adoptees, to help tell their journey and used to welcome a child to their new family.

10 years later, thanks to the help of the community and our supporters, we have been fortunate enough to have:

PLACED:

5,000 Children
1,500 Sibling Groups
1,625 Minority Children
400 Teenagers

SERVED:

800 Heart Gallery Photos
420 Map Families Matched
250 Mentor Matches
150 Family Finding Cases
80 Heart Gallery Venues
140 Heroes For a Day
2,200 Princesses For a Day
