A FAMILY FOR EVERY CHILD / HEART GALLERY IS 10 YEARS OLD!

We are celebrating a decade of finding permanent, loving homes for every waiting child. In January 2006, AFFEC was created to help find permanent homes for many of Oregon's waiting children with special focus on special

needs/hard to place children. This was quickly followed by the implementing the NW Heart Gallery. Now with a dedicated staff, an inspirational executive director, and the help and support of hundred of volunteers and donors, we have over ten programs offering services to children and families nationwide.

In 10 years A Family for Every Child has:

Served

Over 800 Heart Gallery Photos
Over 450 MAP Families Matched
Over 300 Mentor Matches
Over 150 Family Finding Cases
Over 2,500 Princesses and Heroes

Placed

Over 5,000 Children
Over 1,500 Sibling Groups
Over 1,000 Teenagers
Over 350 Oregon Children
Over 1,300 Minority Children

Please come celebrate this milestone with us!

Remembering Michael

This year we are dedicating our annual Home for the Holidays event to Remembering Michael.

Michael was one of our earlier adoptions who tragically passed away due to a car accident last June. Michael continues to have an impact on all of those who were lucky enough to be a part of his life. His moms gave him the forever family that we at AFFEC continue to strive for every waiting child to have. Michael blossomed in their care and with their love and support was going to attend college for nursing.

This year, and for the years to come, we will remember Michael and how he was a true example of the importance of finding a loving, permanent family for every waiting child.
