

# ALBUMS URGENTLY NEEDED FOR LIFEBOOKS

While the donations of scrapbooking supplies has been enormous and we can never say “Thank you” enough. We are in desperate need of albums for all the great supplies and pages donated to the Heart Gallery to be placed in and given to a Foster Child.

DHS has requested pages in 8 1/2 x 11 format, we need albums specifically to accommodate this size of finished pages.

Can you help? Do you have any unused albums of this size you no longer want or need, consider making a donation for this project.

Albums can be directly donated to the Heart Gallery.

You may want to consider making a cash donation to help us purchase the supplies we need at this time. For only \$25 we will be able to purchase an 8 1/2 x 11 album, page protectors and adhesive to complete a LifeBook and present it to a Child.
