

A Family For Every Child 2017

Matching Event Schedule

WHAT IS A MATCHING EVENT?

A Matching Event is a webinar. We take care of everything so all you need to do is attend!

An Online Child Matching event is a webinar. It affords you the opportunity to present your child to home study approved families. Because these families have a home study on file with us, you are able to be a bit more forthcoming about a child's challenges and needs, while primarily focusing on a child's strengths and progress. Families are afforded an opportunity to type in questions as the webinar is in progress.

An Online Family Matching event is a webinar. Where you can learn more about the families participating in the event. Case workers are given an opportunity to type questions as the webinar progresses.

We take care of everything. From promotional emails leading up to the event to creating a visually pleasing PowerPoint presentation, we do the work for you. We even provide you with a set of sample questions we use as a guide. All you need to do is attend a short practice prior to the event and be available the day of the event to present the featured child. Matching Events are recorded and home studied families have the opportunity to listen to these recordings at their convenience.
