

Matching Assistance Program for Professionals *—Social Workers—*

◆ **Child Matching Made Easy**

We help serve nationwide foster children and sibling groups of all ages, races, legal statuses, and special needs levels. Since 2007, we have served over 9,000 children, and helped place over 4,000 children with permanent families.

A Family for Every Child provides recruitment assistance to connect children on your caseload with home study-approved families who are seeking to adopt from foster care.
