A Princess for a Day Event 2013

Join us in helping foster girls feel like a princess!

A Family For Every Child and The Heart Gallery are non-profit organizations that focus on finding permanent homes for Oregon's foster children. Our mission is to develop programs that assist foster children in finding their loving, permanent families. We have been successful in moving over 500 children from foster homes into forever families.

This March 2013, we will be hosting our 5th Annual Princess for a Day Event. This day is intended to help young girls in Oregon, especially foster girls, between the ages of 2 to 18, know that they are special and loved, and that they are all deserving to be princesses, even if it's just for a day.

This fun-filled day of being a princess for both foster and non-foster girls will include, hair and makeup pampering, a tea party lunch, and their very own photo shoot. They also get to go home with their very own princess outfit, which includes a dress, slippers, tiaras, and more.

This event is sponsored by A Family For Every Child, as well as many local businesses. It is designed to be a gift to all the foster girls in our community, as well as to raise awareness of foster children around Oregon.

We are asking local businesses to donate dresses that may be left over or back stocked from Halloween or any other party occasions. We would also very much appreciate any donations of princess attire, such as jewelry, purses, tiaras, wands, etc.

Thank you for your time and consideration of our requests. Any donation you are willing to give will be very much appreciated. We are looking forward to hearing from you soon.
