

## The Family Home Page

When you login to your account, you will come to your Family Home Page. This will be the main page that you use to submit for children, view your favorites, update your profile, post in the MAP family forum, send us questions, and more. You will see four rows of tiles, each with a different purpose. Below, you will see a description of each tile, and what the links behind the tile mean:

**Family Registration-** View and make changes to your family registration page.

- **Edit Family Registration-** make changes to your initial registration
- **View Family Registration-** view your initial registration

**Family Profile-** View and make changes to your family profile.

- **Select a Style-** select a style for your family narrative
- **Edit Profile-** make changes to your family profile
- **Upload thumbnail photo-** upload a photo to your family profile
- **Upload family video-** upload a family video to your profile
- **View Profile-** view your profile as a caseworker will see it
