*"We should not be asking who this child belongs to,
but who belongs to this child."*

Dear ,

Local adoption events are a great way to get connected with caseworkers, foster children, and other adoptive families! In addition, these adoption events can be seminars, trainings, or informative meetings about special needs and other adoption topics.

Rainbow Kids has an events calendar that you may search to find these adoption events in your area! Visit their [site](#) and search for events by state, category and/or agency. You can also ask your adoption worker/agency if they host any events, or know of any organizations that do.
