Subject: Support and patience through the adoption process

Dear ,

I want to take this opportunity to thank you all for your patience and continued support as we weave our way through the adoption process with you.

Do you have a positive adoption story or experience you'd like to share? Email it to me, and we will post it on our [Success Stories](#) page!

Have you taken advantage of our recruitment options? You can have your biography featured on our [Waiting Families](#) page, our home page, and in a weekly Feature Family recruitment email, just by making your biography public! By making your biography public you can draw more attention to your family from potential recruiters and caseworkers around the country. To grant us permission to post your biography on our public site, login to your account, and click the link in box #2 that says, **[Optional] Grant Permission for Display on the Internet**. Check the box on the next page, and click **Submit!**

Have you signed up for matching events? Our matching events are a great way to get connected with children and caseworkers nationwide. Visit our [Matching Events](#) page to learn more.

If you haven't already, you should check out our adoption forum! Our forum is available to families who are signed up for Matching Assistance, and is designed to connect waiting families with each other to provide support and answers to your adoption questions. With over 300 incredible adoptive families signed up for Matching Assistance, many of whom have adopted before, you are bound to have any of your questions answered! To view and post in our forum, login to your account and click the button on the left hand side of your Family Home Page that reads **The MAP Family Forum**.

Would you like some extra support from recruiters in your area? Wendy's Wonderful Kids has adoption workers in all 50 states that work with families to help them navigate the foster care system in their state, and can put you in touch with other recruiters in other states. To find a recruiter near you, please visit their [program sites](#) page.
