

*We are inviting you to partner with us to help foster children find their Forever Families!*

Hosting the Heart Gallery at your organization is...

### COMPLETELY FREE

All needed materials supplied, delivered, and maintained by Heart Gallery volunteers.

### LOW MAINTENANCE

All we need is some wall or counter space and our volunteers will keep photos and information updated on a monthly basis.

### REWARDING

Heart Gallery photos are cycled as children are placed into their Forever Families, allowing your business and its clientele to see the direct impact that hosting has on the lives of children and families in your community.

A variety of display options are available.

### WHO ARE THE HEART GALLERY CHILDREN?

They represent the 500,000 children in foster care in the United States, 30,000 of whom are here in the Northwest, waiting for a permanent family to love and care for them. Since A Family for Every Child began in 2006, nearly 200 waiting foster children have been featured in our Heart Gallery. 124 of those children have found their forever families!

### WHAT IS THE HEART GALLERY?

The Heart Galley is a traveling "art exhibit" of beautiful professional photographs of local children who are currently in foster care and awaiting adoption. Our mission is to find a safe and permanent home for every waiting child.
