
Princess For A Day was a Royal Success!

On March 3rd, we held our annual Princess for a Day event at the Valley River Inn in Eugene Oregon.

The Princesses who attended the event had their hair and makeup done, they chose a gown, a crown, multiple glittery accessories, and ended the day with a royal tea party!

Princesses had a great time choosing a gown and their new accessories!

We had nearly **300 Princesses** attend the event, and we truly could not have done it without our wonderful **volunteers!**

We were amazed and incredibly thankful for the dedication, energy, and hard work that **every volunteer** put into making the day run smoothly! From making sandwiches to curling hair, setting up the venue to helping the princesses find dresses, **each and every volunteer made a tremendous impact**, and helped make the day magical!

Thank you so much Royal Volunteers.

The most magical part of the event was the complete transformation from child to Princess.

These Princesses began their day in their everyday clothing and ended it with their hair and makeup done, a new gown, countless accessories, a tiara on their head, and a smile on their face.

Each Princess got their hair and makeup done just the way they envisioned.

Princess Stories read by real Princesses!

After the tea party, Princesses celebrated themselves with a royal ball.

Princesses walked hand-in-hand down a red carpet with "older Princesses" into the ballroom, where they were announced

Princesses had fun getting to know each other on the dance floor.

into the room by Prince Charming himself.

Thank you to our Royal Sponsors!

This event could not have happened without the generosity of our wonderful sponsors. We could not do it without all of you!!!!

Without your contributions, we could not have created such a special, memorable, and magical event for these Princesses.

From everyone at A Family for Every Child.
